Good afternoon David,

Per our call regarding who should be on the EPA-IOGCC task force, Lori Wrotenberry with IOGCC shared the list of EPA & IOGCC Taskforce members with EPA vacancies noted. I am including the previous roster as a point of reference as well as the 2019 signed MOU. The EPA members of the taskforce are to be designated by the Administrator. Based on precedent, the Deputy Administrator functions as co-chair. I recommend the remaining slots on the roster be filled out as follows.

- OAR and OW AAs
- Regions 3, 6, and 8 RAs
- OECA AA as a possible alternate

If or when a National Energy Policy Advisor is selected, I recommend their inclusion. I'm happy to fill the void until then. As a reminder, per the MOU, the EPA & IOGCC Taskforce is to meet twice a year and the IOGCC. Since we are already pretty late in the year, a virtual meeting this calendar year and an in-person meeting next year would be preferable. I hope this helps and please let me know how I can be of further assistance.

Thanks so much.

Taim.
